Binding commitment. By signing below, the Customer orders the Services for all locations listed above, commits to pay the Monthly Fee for each location for the full Initial Term of twelve (12) months, and authorizes Belan to charge the payment method on file on each due date. The person signing confirms they are authorized to bind the Customer.

Early termination. No other refunds are given.

Minimum term	You are committing to twelve (12) months from the day your number goes live.	Terms 2.1, 2.3
After the minimum	Month to month. Cancel any time with 30 days' notice.	2.2
Plans	Tier 1 \$200 (2,500 messages), Tier 2 \$300 (4,500), Tier 3 \$400 (7,000), per location per month. Every location on one plan.	3.1, Exhibit B

Term discount	\$200 off per location, credited on the final invoice of the Initial Term. Forfeited if you leave early.	3.8
Overage	Never blocked. Extra messages are metered at your plan's rate (8.0¢ / 6.7¢ / 5.7¢), and a location that goes over moves up a plan from its next billing date.	3.2
Early termination fee	Leave before the 12 months are up and you pay a flat \$150 per location, plus you forfeit any term discount not yet credited. Not charged if Belan is in uncured breach.	12.3
Billing and refunds	Charged automatically in advance. If a charge fails, Belan retries and may pause the Services until it clears; the term keeps running. No refunds, except if Belan cannot fix a broken feature within 30 days.	3.4, 3.7, 10.3, 12.4
Price changes	Never during the minimum term. Afterwards, 30 days' notice, and you can cancel before it applies. Plan changes caused by your usage are not price changes.	3.6
Consent	Only text people who agreed in writing. Never delivery-app lists or bought lists. You confirm this on every import.	4.1, 4.2, Exhibit C
Your number and data	Belan provides and registers the number; it stays with Belan. Your data is yours: export any time and for 30 days after; consent records are kept four years for compliance.	6.1, 8
Termination for cause	Either side can end for a material breach not fixed within 10 days; Belan can end immediately for consent or content violations.	12.1
After termination	Campaigns stop, unredeemed coupons are cancelled and deleted, and unpaid fees plus any early termination fee become due.	12.5
